

**Calvary
Lutheran Church
2007 Building Appeal
— Continuing the Journey**

Appeal Update – March 4

Our Appeal is about much more than money. Every time we are asked to consider a financial gift to Calvary Lutheran Church, we are being given an opportunity to consider our faith and grow in our generosity.

What is God saying to us through this important Appeal?

- Do I believe that all the gifts in my life (my time, talent, and treasures) come to me from God?
- Do I understand that I am asked to share these gifts to further God's ministry in this world?
- Can I grow in my generosity, in my financial giving?

We invite all members to pray and consider the importance of our ministry here and now, and make this Building Appeal a giving priority for the next three years.

The Holy Spirit works in us in many beautiful ways. Pray that the spirit of generosity will fill all our lives.
